

INTERVIEW SUMMARY

On April 8, 2008, attorneys for Applicants Bruce R. Needham and Alec J. McGinn held a telephonic interview with Examiner Srilakshmi Kumar. Applicants thank the Examiner for the interview and for her thoughts on the proposed amendments in relation to the present rejections. The parties to the interview agreed that the proposed amendments, presented formally in this office action, overcome the art of record, and Examiner Kumar noted that an updated search would be required.
